

Shrug off your jacket. Shake your scarf free. Close the door against the icy wind. There's a log fire crackling and your face starts glowing. You pour a warming glass of red wine. There's the aroma of a slow cooked rustic stew. A giant leather chair to envelop you. A dog to pat, and a throw rug which demands your toes.

Be tempted by more than 30 wineries offering sumptuous events day and night this July.

Fire up your winter soul in the Adelaide Hills.
