SPARKLING SPRING OCT 20-22

**Adelaide Hills
Wine Region**

Join us for a sumptuous spring weekend where craft and season combine. Sparkling Spring is your chance to enjoy Adelaide Hills' sparkling wines across venues throughout the Adelaide Hills and Adelaide's CBD. In 2023 we will see a variety of events themed by 'Indulge Yourself' for sensory experiences, 'Masterclass' for the wine connoisseur and of course the celebratory 'Brunches & Lunches' for everyone.

INDULGE YOURSELF

Events for those who want to experience the Hill's diversity by visiting a few wineries in one day. Think live music, sunshine, spring flowers, sparkling wines and delicious food. Some of these events have a small entry fee and others are a little more premium events which cost a little more.

MASTERCLASSES

For wine explorers, here the focus will be firmly on appreciating the outstanding excellence of Adelaide Hills sparkling wines. Hosted by an expert, guests will be taken through curated wine tasting flight, discussing points of interest on each wine. Classes compare Adelaide Hills' sparkling to champagne as well as to their older counterparts.

HIGH TEAS

Delight in spectacular seafood and canape offerings paired with seriously good Methode Traditionelle sparklings or Bellinis and Mimosas. Take in panoramic views of the Adelaide Hills atop some of the highest vineyards in the region or sit within the vines in Piccadilly.

BRUNCHES AND LUNCHES

Lunches and brunches where the focus is on a true feast of delectable dishes matched to exceptional Adelaide Hills sparkling wines. Most are multiple-course sit-down dining affairs and are intended to take time for true indulgence and some are more casual with picnic offerings and pizzas.
